

## BE READY FOR SECURITY CHECKS

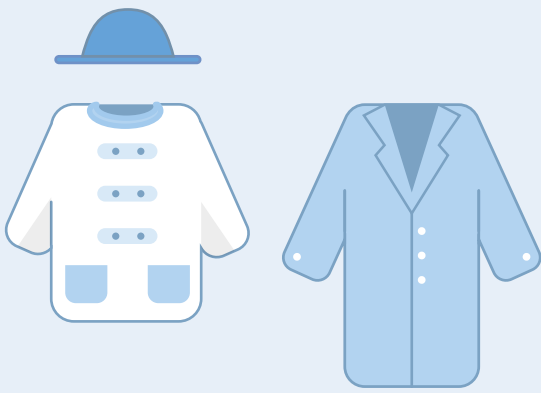

Be ready to put your **electronic devices** in a separate tray

**Remove all metallic items**, including coins, watches, belts and put them in the tray

Separate the liquids from the hand baggage and put them in a sealed transparent bag of **maximum 1l**; the individual containers must have a **maximum volume of 100 ml**. Please prepare it at home

**Be ready to remove** your hat, jacket, coat and shoes

Make sure your baggage has **no items that are forbidden** by security or the airline you are flying on

Also follow the restrictive rules on works of **art, plants, animals** and **money amounts**
