

CoViD-19. INFORMATION FOR PASSENGERS ARRIVING FROM BELGIUM, FRANCE, THE NETHERLANDS, UNITED KINGDOM, CZECK REPUBLIC AND SPAIN

- All passengers living or remaining for tourism, work or any other reason in the Veneto Region, even if not showing any symptoms, must communicate immediately their arrival to the Local Health Authority (LHA) which has territorial jurisdiction. Families and groups of any kind must send information on any single individual. This can be accomplished :
 - going on the website of the LHA and filling in the on line registration form, or
 - sending name, address and phone number to the LHC via email

The LHA are:

- A. Those who have undertaken a swab within 72 hours before their arrival in Italy, and may show a negative response, have no restrictions.
 - B. Passengers not included in case (A) must undertake a swab within 48 hours from their arrival:
 1. free of charge in designated location organized by LCA from 7 am to 1 pm every day; no reservation is needed; for information contact LHA.
 2. in the airport; the result will be send via SMS by LHA number 3.
 3. in the accredited laboratories (ask LHA or physicians, pharmacies, Town Halls, etc.)
- Also passengers travelling to other Regions who do not undertake a swab in the airport and have not a negative swab result within 72 hour before their arrival must contact the LHA where they stay and undertake a swab within 48 hours.
 - **Passengers must remain in quarantine at home or wherever they are until the sab is taken and negative result of the swab is received.**

Due to the continuous changing of rules and laws, it is advisable that passengers consult websites of Regional and Local Health Authorities
